I'm writing this letter to thank you for making our decision to switch to Dunk Fire & Security such an excellent choice. As stated in our first meeting, our challenges were getting dependable service, monitoring our fire alarms, reasonable pricing and putting order to our inspection reports.

Special thanks to you Vida for your attention to detail and follow up to meet all our monitoring and inspection needs. I would also like to thank the technicians for their professionalism, great attitudes and willingness to perform the services required by our facility around our schedule and for the consideration and comfort of our guest's schedules as well.

You and Dunk Fire & Security have recognized the importance of our business and the safety and security of our guests. That is Priceless!

I would recommend Dunk Fire & Security to any potential customer.

Sincerely,

Pam Mock
